V

With Singapore and the Philippines, which are the last strongholds of the Allies in the Orient about to fall, and with the Burma Road's terminus, Rangoon, in imminent peril, our people are still asleep.

Our people thought that they could help win this war by furnishing ammunition, guns and planes, and let others furnish the blood and sweat. If we do not awaken from this soft couch in a fool's paradise, we will lose this war, with all of the horrible implications.

We have counted on our isolation and on Japan's weakness (?) so long that, unless we get into high gear, the Japs will be invading our West Coast ere long.

Our complacency (which still characterizes most of us in spite of the alarming situation), our smugness and our self-sufficiency have about brought us to the brink of national disaster.

The situation is far from hopeless, but it will become hopeless unless our people awaken, and unless the incompetents in high places be kicked into the oblivion that their miserable records warrant.

Whenever you begin to feel complacent about the situation, remember, "It CAN happen to US too."

All of the four boys of Mr. and Mrs. Taylor Hayward are now in Uncle Sam's service: James at San Diego, Herbert and Joe in Pacific waters and Fred who is a new recruit at Camp Shelby. No one can accuse the Sheriff's family of being a slacker family.

The leading editorial in the Commercial Appeal of Wednesday answered a question that many of us were curious about. This editorial stated that Senator Bilbo and Senator Dosey voted FOR the self-pensioning bill; but the lower house members were so nearly unanimous about the matter that no record vote was taken. We would be delighted to publish an answer from our own Congressman, A. L. Ford, to this simple question. "Mr. Ford, did you vote for or against the so-called pension bill? Yes, or no."

Work started Wednesday on grading the runways for the county-city airport immediately after the deal for the land was closed with Will Hayward.

Our people as a whole are much more concerned about getting some of the defense money than they are about the winning of the war.

Dear Allen: your splendid article arrived Wednesday morning, too late for publication this week. Best wishes and good luck.

Those riding bicycles MUST observe the traffic rules, otherwise there is going to be a tragedy in Grenada. It will be too late then to repair a broken back, or recall the human soul that has passed from the body of the victim.

We have had so many renewals and so many new subscribers, and so much else to write about that we are weeks behind. Our list continues to enjoy a steady healthy growth.

In Biloxi over last week-end, I believe I actually saw 4,000 of the many thousands of U. S. soldier stationed there. I did not see ONE drunk; I did not see ONE soldier acting boisterous, or disorderly; I did not see ONE soldier who acted in any but a gentlemanly manner. Nor in this town where Becker is sold quite freely did I see a drunk civilian or a civilian acting "out of the way."

We cannot understand why our legislators do not have the guts to repeal the discredited prohibition law which r. one pays any attention to. The disrespect for this law breeds disrespect for all laws.

It seems fairly certain that 38 men will arrive here today to look over the site between here and Duck Hill which will be the army camp, if we have one.

Should a camp be located here, our people's greatest problem will be dealing with civilians who build the camp and the camp followers, whores, etc., who come to prey upon the soldiers.

Our readers, who got a page filled with editorial advice last week, will have to struggle on with a small dose this week.

Aint they sweet.

Bob Becker, Editor of the Chicago Tribune, is here on a hunting trip. We hope this big shot editor will come around and see how little editors live.

GRENADA, GRENADA COUNTY, MISS., THURSDAY, FEBRUARY 12, 1942

NUMBER TWENTY-NINE

MEN 20 TO 45 TO REGISTER NEXT MONDAY

Mr. Wm. G. Cason Died In This County Tuesday

Mr. William G. Cason, 48 years of age, died in his new home near Hardy Tuesday noon. He was a native of Folsom, Georgia, but came to Greenwood many years ago where he and his brother acquired a large part of the Townes old plantation. Selling that property recently, Mr. Cason bought property in northern Grenada county, while his brother, T. P. Cason, bought the Broadstreet old plantation near Duck Hill.

He is survived by his wife, one daughter and one son, two sisters and two brothers.

Funeral services are being held today in Greenwood.

Hayward Land Selected For Airport

After some delay, while differences of opinion were being ironed out, the county and city secured title to the 900 odd acres of land (at a price of about \$190,000) from Mr. Will Hayward Wednesday. The land is to be used for the building of a city-county owned airport which it is hoped will be taken over by the army for civilian air training purposes, or other purposes, when the two runways are completed. The money necessary for the purchase of the land and the building of the runways was secured by the issuance of \$12,500 in bonds by the city and an equal amount by the county—authorization for which was given in a special act of the State Legislature, now in session.

Received Naval "Wing" Last Monday

Walter T. Mann, son of Mrs. A. N. Mann, of Grenada, received his "wings" and became a flying ensign in the U. S. Navy Air Corps Monday of this week at Miami, Florida.

He was a star football player on the GHS football team, and went to

WALTER T. MANN

Camp Blanding with the "home" company, but took the required examination to get into the Naval Cadet School, from which he was graduated Monday.

He is expected to arrive in Grenada for a short vacation today (Tuesday) with homefolks.

Notice To Savers of Waste Paper

The Boy Scouts appreciate all that the public is doing to help them in their waste paper campaign. The boys are doing their best to serve everybody in gathering waste paper, newspapers and magazines but they are sometimes handicapped by the lack of trucks. Several of the business houses and the city street commissioner are giving excellent help by lending their trucks but the boys need more truck service and will appreciate owners volunteering their trucks for an hour or an hour and a half on Tuesdays and Fridays at 3:30. We wish also to state that we prefer not to take loose card board. We want waste paper, newspapers, and magazines; not loose card board. Please have waste paper in carton that will not have to be unloaded in the truck. It takes too much time to gather loose paper out of the truck; furthermore, it is difficult to haul loose waste paper and prevent it from blowing on to the street. If you have magazines and bundles of newspapers that have not been picked up, please call the school, phone 207. Place bundles on front porch.

Sincerely yours,
JOHN RUNDLE, Supt.
Grenada City Schools.

Atkinson's Slayer Gets Life Imprisonment

John Kehoe, slayer of Jack Atkinson, of Grenada, who was tried in Marks last week for murder, received a sentence of life imprisonment at the hands of the judge and jury last Saturday afternoon.

Mr. Atkinson was the son of Mrs. E. L. Atkinson and the late E. L. Atkinson, of Holcomb. At the time of his fatal stabbing he was an employee in the sales department of the Art Quantrell Chevrolet Company of Grenada.

Grenada Deserves And Needs Her Band

The City of Grenada wants, needs and deserves the splendid band that we have, and our band needs your cooperation and support now, as never before.

The band mothers urge you to please save your Volunteer, Moon Rose, and Top Quality labels, which will be collected the latter part of each month by the band mothers. If yours are not called for you may call 102 and we shall be glad to collect them.

Thanks,
THE BAND MOTHERS

ONLY NINE SIMPLE QUESTIONS TO BE ASKED REGISTRANTS

Regulations governing the Selective Service registration on February 16, to be conducted between 7:00 a. m. and 9:00 p. m., throughout the State, were released today by Brigadier General Thomas J. Grayson, State Director of Selective Service System.

"All male persons not previously registered who attained their twentieth birthday on or before December 31, 1941, and who have not attained their forty-fifth birthday on or before February 16, 1942, must register," Brigadier General Grayson explained. "In other words," he explained, "all unregistered men who were born between February 17, 1897, and December 31, 1921, must register."

Brigadier General Grayson said that men between 21 and 35 years of age who registered in 1940 and 1941 are not required to register again.

"While anyone who is unavoidably away from his home on February 16 may register at the registration place most convenient on that date, Mississippi registrants are urged to make every effort to register in their own local boards to avoid possible confusion in the future," he cautioned. "Any person who must register while away from his home should be careful to specify his home address so that his registration card may be forwarded promptly to his own local board and to insure that he will be included in its potential manpower to fill calls for quotas."

Special registrars will be provided by local boards to register men who cannot appear at a designated registration place because of illness or other incapacity. It was explained that every man subject to registration who is an inmate of an asylum, jail, penitentiary, reformatory or similar institution at the time of registration is required to register on the day he leaves the institution.

Only nine simple questions will be asked those men who register on February 16 for possible military service under the provisions of the Selective Service Act, General Thomas J. Grayson, Director of Selective Service for Mississippi, emphasized today. Men between 20 and 45 must register except those previously registered, and except those who have become 20 on and after January 1, 1942.

Registration of the individual should require a comparatively short time, the Director said, pointing out that the registrant will not be asked to fill out questionnaires but must only answer interrogations about his identity, his place of residence, and his mailing address. Also he will be required to list his telephone, if any; his age in years and date of birth; place of birth, the name and address of the person who will always know his address, his employer's name and address, and his place of employment or business.

While it is important that registration be conducted as speedily as possible, it is pointed out that every registrant will be given ample time to respond properly to the questions on the registration card, which on this occasion will be green, white and yellow colored cards, respectively, were used for the first and second Selective Service registration.

No questionnaires will be given registrants when they register Feb. 16, nor will they then be required to undergo any physical examination.

Questionnaires are given to registrants after their order numbers have been determined and reached by their local boards. Physical examinations

are given only after the boards have passed on the general qualifications of registrants, and have determined that they should not be deferred for reasons of interest to the Nation.

When registered, each registrant must answer the following nine questions: (1) Name of Registrant; (2) Place of Residence; (3) Mailing Address; (4) Other than Place of Residence; (5) Telephone; (6) Age in Years and Date of Birth; (7) Place of Birth; (8) Name and Address of Person who Will Always Know your Address; (9) Employer's Name and Address; and (10) Place of Employment or Business.

After a registrant has answered all questions and signed his name to the registration card, he will be given a registration certificate, signed by the registrant. This certificate must be in the personal possession of the registrant at all times. Failure to possess the certificate, or to show it to authorized persons, constitutes a violation of Selective Service Regulations, and is considered prima facie evidence of failure to register.

WHERE to register in Grenada county is to be found elsewhere in this issue.

Rev. Liles' Aunt Passes In North Carolina

The Rev. C. S. Liles, pastor of All Saints Episcopal Church of Grenada, was notified on Thursday of the passing of his aunt, Mrs. J. C. Rice, at Montreat, N. C.

Mr. Liles went to Montreat for the funeral, returning home Monday. In his absence from home, Mrs. Liles' mother, Mrs. J. A. Shields, of Morton, was here with the family.

John Turnipseed Opens Economy Cash Store

Mr. John Turnipseed, native of Grenada county, is opening the Economy Cash Store at the Bill Davis old stand on the corner of First and Dock streets on Saturday, February 14, 1942. Mr. Turnipseed is a member of the well-known family of that name which lived for many years in the Spring Hill neighborhood, and is a grandson of the late L. P. Turnipseed, who spent his last years at Holcomb. For six years this young man has been the Mess Sergeant at the CCC camp at Coffeeville, and therefore has a comprehensive knowledge of foods and feeds.

For the present he will handle poultry, milk, dairy and horse feeds; flour and roofing and other consumer goods. As the name indicates, this will be a cash store.

He is a young man of pleasing personality and, with his knowledge of this business, he should meet with success in this new enterprise. He and his mother are living with the former's aunt on Commerce street at the present time.

Thus Grenada Grows.

The Senators and Congressmen who voted pensions to themselves are coming in for a bunch of razzing. A movement, "Bundles for Congressmen", has started. These gentlemen are receiving all kinds of embarrassing bundles. We suggest an old red necktie for Bilbo, a patched shirt for Dosey and a pair of cotton plow lines for Ford.

WHEN AND WHERE TO REGISTER

The registration of male persons from 20 to 45 under the amended Selective Service Law will be held in three places in Grenada county on Monday, February 16th between the hours of 7 o'clock A. M. and 9 o'clock P. M. at three places in the county, viz: second floor of the county court house in Grenada; school building at Holcomb, and school building at Gore Springs.

The registration at Grenada will be held by the following: John Pressgrove (Chief Registrar), William Wright, J. M. Talbert, L. D. Boone, John Rundle, Sam Simmons, Jr., Miss Aline Bridgers, Miss Elizabeth Purdie, Earl Buckley, J. L. Townes, Jr., Ben McElwath and Lewis Moore.

The registration at Holcomb will be held by the following: A. Y. McBride (Chief Registrar), Dot Hayden, Jack McRee, Mrs. Sallie Workman, and Mrs. Hattie Singleton.

The registration at Gore Springs will be held by the following: Eugene McGahey (Chief Registrar), Rogers Parker, Mrs. Mary E. Printz and two Gore Springs teachers.

In another article in this issue - by General Grayson - explanation is given as to who is to register.

THURSDAY, FEBRUARY 12, 1942

Still Asleep

Most people with whom we come in contact are still sound asleep so far as the extremely critical war situation is concerned.

Wearing a "V for Victory" button is all right, but it will not stop a single enemy bullet.

Singing "God Bless America" is all right in its way, but it will not delay for one second the flight of enemy dive bomber.

Your dollar given to the Red Cross will help a dollar's worth, but you have been in the habit of giving that dollar in the piping times of peace.

Riding bicycles is good healthful exercise, but we fail to see where that practice is saving any rubber.

To most of our people Pearl Harbor is "some place way off in the Pacific Ocean somewhere"; Manila is "somewhere near Australia"; Singapore is "some sort of fort the English built near where the Wild Man from Borneo came from". Most of our people fail to appreciate the value of these outposts and fail to see how essential these places are to our own personal safety and well being.

Are we going to remain asleep until the enemy reaches New Orleans, or will we wait until the enemy gets to Duck Hill?

Are we going to wait until the flag-draped box containing the body of our neighbor's boy returns from the Orient or are we going to wait until the flag-draped box containing the body of OUR OWN boy returns from the Orient?

Are we going to continue to devote 90 percent of our attention and energy to getting some of the 50 billions of defense money and 1 percent of our attention and energy to the prosecution of the war or shall we awaken sufficiently to devote only 25 percent of our attention and energy to getting some of the 50 billions of defense money and five percent of our attention and energy to the prosecution of the war?

Is just a handful of patriotic people going to carry the load of civilian defense, or is everyone going to try to do his or her part in the plan designed to offer a measure of protection to ALL?

These are serious questions.

Softened By Service

Our people, especially those who live in town, have been softened by too much service.

They want a package of cigarettes, or a can of coffee, or a soft drink, a pair of hinges, or a sack of lime. Picking up the telephone hook they order whatever they want and it has been delivered pronto.

With merchants using their LAST set of tires, the picture should change. We, the consumers should not expect so much service lest we get NO service when the present tires wear out.

We can remember when a family living in the country came to town ONCE a year and, at that time, bought and transported back home everything that the family needed for an entire year. Some came every six months. Today most people living in the country come to town at most once a week (Cousin Ira excepted), and buy at least a week's supply of things at a time.

While it is not imperative that town people order a week's supply at once, it certainly would be desirable if they did so. Certainly they are going to have to cut out buying from meal to meal, and expecting prompt delivery.

Our people are going to use "service" with care, ration it if you please, lest there be no "service" at all in a few months.

Seen, Heard and Told By The Editor

The old lady and I went to Biloxi for the week end. I went fishing three times. I caught no fish, but the gambling men caught one.

Maybe our people will become aroused from their sound sleep when the flag draped boxes begin arriving from the Orient.

One Or The Other

Uncle Sam is going to need billions upon billions of dollars to finance the war. He has three ways of getting that money: levying taxes (which method is wholly inadequate); getting interest-bearing obligations, or printing money.

As stated, the costs are too great to be obtained from taxation alone. This war is being waged to preserve the freedom of unborn as well as living people and, therefore, the unborn people should help pay for their freedom. The "cash and carry", or "pay as you go" system would fail, for the burdens of taxation would be so onerous that the sources of taxation would simply fold up.

So Uncle Sam really has but two methods to get most of the money: selling obligations which bear interest, OR turning the printing presses loose. From every logical standpoint, the former of the two remaining methods is preferable. Suppose you, Mr. Citizen, have several thousand dollars of idle money? Would you rather invest that money in government interest-bearing obligations (always remembering that Uncle Sam's dollar bill is not a whit better than Uncle Sam's note, or bond) or would you prefer that Uncle Sam turn the presses thereby creating a vast supply of money, and making YOUR dollars less and less valuable the longer the presses ran?

If people would only stop to think that the only difference between Uncle Sam's dollar bill and Uncle Sam's bond is that the former bears no interest, while the latter does, they would throw the banks and post offices to convert their dollar bills into interest-bearing obligations.

The moral: buy Defense Bonds TODAY, or see depreciated currency TOMORROW.

Helping Hitler

Those who spread anti-British propaganda are unconsciously aiding Hitler and the Son of Heaven. They are helping drive a wedge between the two nations who, even when working hand and glove and shoulder to shoulder, may be defeated in the death struggle with the powers of aggression.

Whether America should be in this war is a question already settled. We ARE at war. Whether we should have passed and implemented the Lend Lease bill to help Britain and the other people who are fighting the people of the Axis powers is also a question that has already been settled. Our Congress DID pass such a bill.

Whether the individual American citizen would have America as an active ally of Britain is another question that has been settled. The fate of Britain and the fate of America are inextricably meshed together. When one deprecates Britain, one also deprecates America, its partner in a life and death enterprise.

Whether the individual likes the British is beside the question. If two men are in a boat that requires two men to paddle away from a deadly waterfall, it would not behoove one to quit paddling because he did not like the accent of the other, or it would not behoove the other to quit paddling because he did not like the tie worn by the one. There would be time enough to do the criticizing AFTER the boat had been paddled to safe waters.

Like the two men in the boat, it is going to require the utmost, and unrelenting paddling of both nations to escape defeat. Not one single false stroke should be made. Not one minute of unremitting cooperation should be permitted.

Congratulations, Board

The Board of Mayor and Aldermen recently met and passed an order which "passed up" the collection of town taxes for the year 1941. This meant all taxes.

Canton sometime ago got a lot of publicity because its taxpayers were exempted from the payment of anything but the necessary money to take care of the bonded indebtedness.

A town in Indiana received public praise throughout the country for having abolished taxes.

We are referring to the Board of Mayor and Aldermen of the town of Holcomb, Grenada County, and not to the City of Grenada, and to these city fathers we extend congratulations.

Too Much "Water"

We have been patient about the many mistakes of the government; about Pearl Harbor; about the non-productive OPM; about the dancer-ruled Civil Defense organization; and now we must be patient about the loss of the Normandie, a ship which likely was about to carry aid to our beleaguered forces in the Orient. We have tried to preach a doctrine that water over the

mill grinds no corn, that spilled milk cannot be saved. But, if these terrible mistakes of omission and commission continue, we will have no milk to grind corn, and we will have no milk to spill.

It seems to us that the time is overdue when inefficient persons should be kicked out and efficient men like Wendell Willkie, Herbert Hoover and Alf Landon be put into places where their great ability can be utilized. Too much water has gone over the mill wheel.

Fedric-Neely Vows Said At New Bern, N. C., Friday, February 6th

Of outstanding interest to many friends throughout the state is the marriage of Ann Neely, daughter of Mr. and Mrs. J. H. Neely, of Grenada, to Mr. William H. Fedric, son of Mrs. J. E. Fedric and the late Dr. Fedric, of Charleston. The ceremony was solemnized in historic Christ Episcopal Church, New Bern, N. C., on Friday, February 6, 1942 at five-thirty o'clock in the afternoon. The Rev. C. E. Williams, rector, officiating in the presence of the bride's parents and a group of friends of the bridal couple.

White tapers, glowing in the branched candelabums and in the stately single candle holders on the altar cast a soft light over the exquisite white chrysanthemums arranged in the altar vases.

Preceding the ceremony, Mrs. Garrison Farrow at the organ, and Mrs. Jane M. West, vocalist, gave a program of nuptial music. Mrs. Farrow played "Thine Alone," by Victor Herbert and "O Promise Me," by Reginald De Koven. She accompanied Mrs. West who sang, "Ah, Sweet Mystery of Life" and a solo from "Samson and Delilah." Schubert's Serenade was played during the ceremony.

The traditional wedding march music was rendered.

The handsome bride entered the church with the groom and was given in marriage by her father. She wore

a lovely spring costume suit of gold wool cloth and close chic black and gold accessories. Her arm bouquet was of exquisite talisman roses.

Immediately after the ceremony Mrs. William Dunn entertained at an informal reception for the wedding party and guests at her handsome home.

Mr. and Mrs. Fedric are at home at Morehead City Road, New Bern, N. C.

The bride is a popular member of the young social set of Grenada. She is a graduate of Grenada High School, and at the time of her engagement announcement was a junior at M. S. C. W. The young couple had planned to have their wedding in the Episcopal Church of Grenada, however, because of war conditions plans were changed.

Mr. Fedric is a fine young man of ability. He is a lawyer, having graduated at the University of Mississippi. He practiced law in Grenada prior to his enlistment in the Naval forces of his country. He is a member of and past president of Sigma Nu Social fraternity and member of Phi Delta Phi, Legal fraternity.

Bulk Seed, French Mkt

VISITING RECTOR

The Rev. Wm. Mercer Green, rector of Episcopal Church in Oxford, was in Grenada on Monday. He spoke on two occasions while here, addressing a Red Cross group on Monday afternoon at the Barwin Hotel and a group of Episcopalians, gathered at the home of Mr. and Mrs. Mrs. Charlie Cathey on Monday evening.

Mrs. Groce Carver, spent several days with her daughter, Mrs. John M. Brewer, and her family at Coffeeville. Eugene, little grandson, fell from a bicycle and broke his left arm. He was improving satisfactorily Sunday.

New Mackerel.

FRENCH MARKET

Mrs. G. C. Woffard and baby, of Sumner, are here this week visiting their parents and grandparents, Mr. and Mrs. W. H. Kirk.

THOMAS JEFFERSON STATEN, JR., CELEBRATES 1ST BIRTHDAY

Thomas Jefferson Staten, Jr., five little son of Mr. and Mrs. T. J. Staten was honored on the occasion of his first birthday by his great aunt, Mrs. Ernest Staten at her lovely country home on Saturday afternoon, February 7th, 1942.

The home was aglow with lovely gladioli and those fragrant barbingers of spring, narcissus.

A beautiful cake, in white with pink decorations with one candle

was placed in the center of the dining table. The little guests were served jello and graham crackers. Mrs. Staten served ice cream and individual cakes featuring a heart as reminder of the Valentine season, to the many mothers and grandmothers who accompanied the tiny guests.

The children were given balloons as favors young Thomas Jefferson received many appropriate gifts.

Enjoying this occasion were the following youngsters:

Mary Lee Simmons, Frances Teresa Simmons, Sandra and Patricia Paschal, Billy McKnight, George Kent; Mary Ann Parker, Ernest Lee Rouse, and Maxine McCune of Graysport, Russell Williams, Dick Williams, Pat Mullen, Jr., Norma Jean Jacks, Nancy Wren Inman, and Leonard Holland, Jr.

New crop Honey

FRENCH MARKET

Mrs. Gertrude Marders spent the early part of this week in Jackson with her daughter, Miss Gene, who is a student at Belhaven. Gene is an accomplished pianist and was presented in recital on Monday evening.

Mr. and Mrs. B. J. (Bob) Renaley are now residing in the country home of Mr. and Mrs. Arthur Jarvis which is located south of town. Mr. Renaley is a valued employee of Grenada Farms, and his wife who has been with her mother at Mobile, arrived last month to make plans for their Grenada home. They have one small child. Grenada welcomes this splendid family.

La. Cane Syrup.

FRENCH MARKET

The value of telephone service increases as more telephone subscribers are added. During the past two years alone, a net gain of almost 290,000 telephones was made in the area served by Southern Bell. • To make possible this unprecedented increase in telephones has required an expenditure of nearly one hundred million dollars and a net increase of more than 6,000 new employees, making a total of 28,000 men and women now employed by Southern Bell. • Today, as never before in history, the telephone is indispensable to business and industry, a source of ever present comfort, convenience and security to the home, and vital to our national welfare in war and peace. • The telephone has become a part of our modern way of life—indispensable—valuable.

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY
INCORPORATED

AMERICAN LEGION AUXILIARY

On Monday evening at seven-thirty the Auxiliary of the American Legion met in the home of Mrs. Griffin on South Street.

Mrs. Hal Cullen, president, presided. The program on Americanism was presented by Mrs. Lewis Odum and Mrs. W. W. Whitaker. The chaplain, Mrs. Jobe, led the devotional. Mrs. Griffin presented the colors and Mrs. J. M. Talbert, treasurer, gave her report. The two hostesses, Mrs. Griffin and Mrs. McKnight served a lovely plate with sandwiches, cookies, pickle and coffee or postum during the social hour.

Mr. and Mrs. J. H. Neely returned home Monday from New Bern, N. C., where they attended the marriage of their daughter, Anne, to Mr. W. H. Fedric.

Messrs. D. M. Taylor, C. E. Coleman and Sam Simmons, Jr., attended a Masonic meeting in Vicksburg this week. They left Tuesday and returned home Thursday.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly always the cough, permitting rest and sleep, or you are to have your money back. POTASH

For Five Million Farms

More than 800,000 tons of potash materials for fertilizer use left American mines and refineries last year for farming areas where soil deficiency of potash—an essential plant food—is limiting crop production. About two-thirds of this tonnage was in the form of muriate of potash (60-63% K₂O), a form highly concentrated to reduce the Farmer's fertilizer freight bill. Immediately upon the outbreak of war in 1939, the American Potash Industry began a rapid increase in production capacity. This expansion program is still continuing to meet the demands for increased food production—FOOD for VICTORY.

The Grenada Bulldog

CHAPEL

Last Wednesday morning Mr. Robinson, pastor of the Methodist Church spoke to the students. His text was taken from the Gospel of Mark—"and they after singing a hymn went into the Mount of Olives." He stressed the fact that singing is one of the greatest means of expressing emotions. Since earliest biblical times men have expressed their feelings by songs.

After Mr. Robinson ended his talk, Mr. Rundle made the announcements and the student body was dismissed.

BASKETBALL NEWS

Before we tell you any details of the Holcomb girls versus Grenada girls game we want to remind you that you can't win every time. The game was played Tuesday night in the newly constructed Holcomb gym before a very enthusiastic crowd. We can't write on forever; so we'll have to break down and tell you the score—not that we have to, but we will. Holcomb 41, Grenada 10.

Refusing to let Grenada get an inferiority complex, G. H. S. boys, came through with a victory for our school.

GORE SPRINGS VS. GRENADA

On Friday night the girls basketball team lost to Gore Springs by only 3 points, the score being 20 to 23. Billie Ray Thomas, one of our best guards, was named captain for the night.

Grenada boys played a good game with the Gore Springs team. At the end of the four quarters, the score board told us that Grenada was leading the score by a large margin.

HOLCOMB TOURNAMENT

Saturday was certainly Grenada's unlucky day. At Holcomb, bright and

early (9:00 o'clock to be exact) Grenada's girls played the first game against Duck Hill. At the end of the four quarters the score was 20 up. In order to determine the winner an extra 3 minutes was played. The other side scored a 2-point goal and our side given a free goal because a Duck Hill girl fouled. The score at the end of the extra time was 22 to 21 in favor of Duck Hill.

The Grenada boys lost also to Duck Hill. The final winners of the tournament were Holcomb and Casella boys.

You'd be surprised how much the "Peanuts" are sympathized with.

The thought for the day is dedicated to the Basketball girls. "Together we stand, divided we fall".

Here's hoping Betty Horn will soon be back to school. Everyone go to see her cause you know if you could go to see anyone you would want someone to come see you.

James Thomas presented Beebe with a carnation corsage for the Music Club Thursday night and it was a very special occasion.

BAPTIST W. M. S.

February 9th Circle two of the First Baptist Church met in the home of Mrs. R. B. Thomason with nineteen members present.

Mrs. Calk gave the book "Fellow Helpers to the Truth" in Mission Study which was very interesting. Several members took part in prayer and scripture reading.

The program was closed with prayer by Mrs. D. T. Carlisle.

A delicious plate was served by the hostess—Publicity Committee.

Mrs. R. L. Scott, nee Mrs. Etta Dudley, arrived Tuesday for a visit in her home here until the week-end. She was joined here by her daughter, Mrs. Frank S. Gerard and baby daughter, of Winona, for a visit. It is of interest to our readers that Mr. and Mrs. Frank S. Gerard are moving to Childersburg, Ala. where Mr. Gerard will work for the DuPont Co. Mr. Gerard was in the Chevrolet (partnership) business in Winona prior to taking over the new duties with DuPont.

IRIS CLUB MEETS

On Thursday of last week the Iris Club met in the lovely home of Mrs. L. J. Doak on South Street. Mrs. J. K. Avenit presided. Mrs. Ethel Thiel gave a splendid paper. Mrs. R. L. Vandiver graciously recited the Iris poem and Mrs. Will Hill conducted a most informative quiz, the questions rela-

ting, of course to the Iris gardens.

THREE GRENADA STUDENTS ON
Three students from Grenada are helping to organize Religious Emphasis Week, scheduled from February 15-19, at the University of Mississippi. Miss Dick Owen Jones and John Toliver Keeton are members of the Subcommittee for Discussion Groups in Dormitories and Fraternity Houses, and William Winter is on the Publicity Subcommittee.

AUXILIARIES

EPISCOPAL
All Saints Auxiliary met in the home of Mrs. E. R. Burkle on Monday afternoon.

Mrs. Sax Weir led the devotional. Mrs. Sherwood, secretary, read the minutes and called the roll. On the auxiliary roll are sixty names and it is the object of the more active auxiliary members to interest those who have not been so active in the great work being done by the church women.

Mrs. Whitaker, presided during a discussion of plans for financing this year's work and conducted a "quiz" relating to Defense Bonds, as it is probable that since the Parish House fund will not be used in the immediate future for building, the auxiliary may invest their money in Defense Bonds. Miss Robbie Doak gave an interesting report on a letter from Miss Edith Gage.

A full attendance is urged next Monday as a vote will be called on the investing of the Parish House fund in Defense Bonds.

Meeting closed with service league benediction.

Dr. and Mrs. S. B. Carothers attended the Medical meeting in Memphis on Monday and Tuesday and Dr. and Mrs. J. K. Avenit attended this same meeting on Wednesday and Thursday of this week.

We think that the men and women who are going to Winona every night to attend the defense classes are to be especially commended. Rain or shine, hot or cold, they (like the men in the armed forces) must go, so that the continuity of their instruction will not be broken.

Some of the negroes, both men and women, are entering into the spirit of Civilian Defense. Some are doing fine work.

Many of the negroes, however, do not know what all this war is about, and what this civilian defense is. It seems to us that more efforts should be made to explain to the less informed negroes what's it all about.

We think that the sooner Mrs. Roosevelt quits meddling in Civilian Defense and other matters not within the realm of her legitimate duty, the better things will become. Civilian Defense is an important matter, and not an organization to be run by fan dancers, jugglers and snake charmers. Many folks have a bellyful of meddling by Mrs. Roosevelt.

The Southern people, who understand the Negro best, knows that the Negro does not desire social equality. The people of this section, white and colored alike, know there is a place for each race. The good members of each race know that there is a line that neither wants to cross. Mrs. Roosevelt is not doing anything but harm (and making herself ridiculous) by her meddling with the race question.

A flat tire is about the most pitiful looking thing to be seen these days.

Personally, we are not saving any electric current with the use of the "war" time. When we start work, it is entirely dark and every light must be used.

Whenever Gene Wayneth gets a bicycle I think I will get one.

Doug Williams of Lake Providence has learned that 2-42 on his paper means that his subscription expires in February, 1942, and sent in a renewal. It is a pity that everyone cannot do the same way.

"Judge" Pressgrove is holding court this week.

Fred Griffin says he is going to get a horse and buggy. That's sensible business.

Jimmie McKell is in hog heaven as he has another Model T to work with.

Much obliged to the folks who sent us in enough "releases" last Sunday and Monday to use for copy paper for the week.

This is Mrs. T. J. Brown's receipt for a renewal.

Here Mr. Top. I seen over ole fren Mr. corner n jaxon las fridy. he seen me whin i poked him n the ribs. kernel can sed the fokes uv misipi wuz goin 2 draft mr corner fer gunner. du ya gess they will. ime afeard hix i site aint good enuff, he cant see fokes good less heze runnin for sumthin.

Dear Bull Dog editors: please get a new typewriter ribbon for we can hardly see to read your stuff.

Mrs. Lillian Heath is again in good standing on the books.

Saving tin cans, while of some little service will not win the war.

It looks like our friend Wing is about to go out of the dry goods business for he has a sign, "Films Developed and Enlarged" on the show window of the dry goods department.

Roy Doak is expected to have a ployline and trace chain ad some time in the near future.

Did we mention that Spencer Bell is again in good standing?

If you forget to register on Monday, it's just going to be TOO bad.

Aint they sweet.

Pvt. Billy Hayward has been transferred to a camp in New Jersey.

I often wonder whegre they recruit so many homely salesgirls and waitresses in Biloxi. None of them wear stockings - just socks - and most of them have on rather slovenly shoes. The farther North you come the better looking the wimmen are.

No, gentle reader, I. O. Pearson has not moved back to town; it just seems that way.

W. S. OF C. S. OF METHODIST CHURCH

The outstanding event of the Woman's Society of Christian Service at the First Methodist Church of Grenada on Sunday last was the tribute paid three of the senior workers in that organization at the eleven o'clock service. The Rev. Mr. Robinson made a brief talk concerning their splendid record in the church and especially in the Missionary Society. The three ladies so honored were Mrs. A. W. Stokes, Mrs. Ida Campbell and Mrs. T. J. Brown. These three women have given to the missionary society of the church 162 years of faithful service. Each one having served over 50 years. Their contribution to the church and the community is an honorable record and worthy of emulation.

Mrs. George Grant visited her sister, Mrs. Nickle in Batesville this week.

The W. M. U. of the First Baptist Church will meet at the church on Monday, February 16, at 3 p. m. for Bible Study. Mrs. John Rundo teacher.

Mrs. Thelma Harris was called to Gulfport on Sunday afternoon because of the illness of her son, James, who became ill on the drill field at Gulf Coast Military Academy. Mrs. Harris brought her son home and he underwent an operation for appendicitis at the Grenada Hospital. James is reported as improving.

Congratulations to Mr. J. H. Horn on the observance of his eighty-first birthday on Tuesday, February 10, 1942 and many happy returns of the day.

Mrs. Sorrell and daughter, Betty, of Benton, Ky., are visiting their sister and aunt, Mrs. Durrow Hoot this week.

The farmers of America have a tremendous task before them . . . if our country is to become the "breadbasket of the democracies." To accomplish this herculean job our farmers must be prepared . . . their plans must be made . . . their machinery must be ready. The farm equipment manufacturers, whose dealers are represented on this page, must be able to anticipate the demand for repairs. This means that our farmers must order their repairs NOW to insure delivery before the spring rush begins. Meetings are being held all over the country, with local defense boards, county agents and farmers all stressing the urgent need for ordering repairs now so that vital farm machinery will be ready.

Let us be sure that Grenada county farmers will be ready. Let us bend every effort to BEING PREPARED when America's greatest agricultural emergency reaches the field next spring. Every dealer listed on this page pledges his wholehearted cooperation in furnishing you the repairs needed to produce abundant supplies of life giving food which Secretary Wickard says will "win the war and write the peace."

NOW is the time to repair our tools and implements needed so urgently to carry out Uncle Sam's Food-For-Defense program. The distant goal ahead is a better-fed happier world. No one has so great an opportunity of helping America reach that goal as has the farm family—farm families like those living in this community. We can meet the challenge IF WE DON'T DELAY. Never let it be said Grenada county farmers forgot the time-proven truth "Time waits for no man."

HORTON - MATTHEWS

A wedding of unusual interest in Grenada was that of Miss Joyce Matthews, daughter of Mr. and Mrs. R. F. Matthews to attorney Frank Horton, son of Mr. and Mrs. Hurd Horton on Friday at six o'clock in the evening, February 6, 1942 at the home of the bride's parents. Rev. W. L. Robinson, Methodist minister, officiated, reading the double ring ceremony.

The improvised altar arranged before one of the large windows in the living room was a graceful arrangement of southern smilax and ivy against a white background.

The handsome floor baskets filled with Picardy gladioli and ferns; also two very lovely azalia plants in full bloom added their loveliness. Tall tapers, lighted by Miss Mary Elizabeth

Horton, were so arranged that the whole of the nuptial scene was softly illuminated with their light.

The bride wore a charming spring model of rust with a corsage of tall-man roses.

Her only attendant was Miss Annie Anderson, wearing a blue costume dress with corsage of pink carnations. Mr. Horton attended his son as best man.

The bride attended Grenada Schools, Grenada College and M. S. C. W. at Columbus. She is now employed as one of the office force at the great defense project at Flora, Miss.

The groom is the son of Mr. and Mrs. Hurd Horton, and member of one of the pioneer families of Grenada county. He received his education in Grenada Schools, graduated at Millsaps College, Jackson and received his A. B. and LL. B. degree at the University of Mississippi. He is a member of Phi Kappa Alpha, and Phi Delta Phi fraternities. He graduated from the University in the class of '41.

Immediately after ceremony the bridal pair left for a brief honeymoon in Memphis.

Mr. Horton left for Camp Shelby on Wednesday morning. His bride returned to her duties at Flora on Monday.

Brannon Anderson and a Chicago lass, Larry Noble and A. K. Margaret Spain and Giles Paty, were all seen at the "Round the Clock" Cafe Friday night.

The following was received Feb. 8, 1942: News from Hollywood, from Ramona Lisa, Society Editor Earl Carroll Theatre-Restaurant, Hollywood: Mr. Clyde T. Horn was a recent guest at the Earl Carroll Theatre in Hollywood. At a nearby table were Judy Garland and Dave Rose.

Mrs. J. M. Talbert and daughter, Dorothy, Mrs. H. H. Cullen and daughter, Mary Lou, also Mrs. Junius Townes, Sr., spent Sunday at M. S. C. W.

Mr. and Mrs. W. W. Whitaker spent the week end in Biloxi. While there Mrs. Whitaker, accompanied by Mrs. Annie Jones, (who resides at the Riviera Hotel in Biloxi) spent Saturday in New Orleans.

Mr. H. A. Alexander is at Hattiesburg this week taking advanced training in Civilian Defense work.

W. S. OF C. S. MET MONDAY

The W. S. of C. S. met in the home of the following members on Monday afternoon. At each with attendance meeting the following members were present:

Circle No. 1 met in the home of Miss Mary Knox. There were 14 members present and Mrs. Campbell and Mrs. Clyde T. Horn taught the lesson.

Circle No. 2 met in the home of Mrs. Walter Gower. Eleven members were present and Mrs. Gower and Mrs. Robinson taught the lesson.

Circle No. 3 met in the home of Mrs. Bess Anderson. Fifteen members were present and Mrs. R. F. Matthews taught the lesson.

Circle No. 4 met with Mrs. R. A. Chanters. There were sixteen members present. Mrs. Ford taught the lesson.

Mrs. Van Williams plans to go to Jackson on Sunday to be with three of her children. Mrs. Tread and family, also John and Grady and Fred who is at M. P. of the Air Base. Jackson and Mrs. Fred Williams, who works for the Government there.

WEEKLY NEWS ANALYSIS

By Edward C. Wayne

U. S.-British Forces Fight Grimly
In Resisting Heavy Jap Pressure;
'Joker' Found in Price Control Bill
Has Power to Check Farm Prices

(EDITOR'S NOTE—When opinions are expressed in these columns, they are those of the news analyst and not necessarily of this newspaper.)
(Released by Western Newspaper Union.)

Secretary of the Navy Frank Knox, shown conferring in Washington, D. C., with naval officers and John W. Studebaker, on a plan to have high school youth of America participate in a vital part of the U. S. navy's training program, plane model making. Looking over some of the models are (left to right) Artemus Gates, assistant secretary of the navy for air; Secretary Knox and Mr. Studebaker. In the rear is Adm. John H. Towers, chief of the navy's bureau of aeronautics. About 26,000 American youths in the high schools throughout the country are being asked to build 500,000 aircraft models—10,000 each of 50 different types of fighting planes—for training personnel in aircraft recognition and range estimation in gunnery practice. The models likewise will be important in the training of civilians in aircraft recognition.

MIRACLE:
Man on Luzon

The continued holding out of General MacArthur's "smoke-begrimed" army in its foxholes on Bataan peninsula to use his own words, challenged and won the admiration of all Americans.

It was felt that his long stand in the face of more than 10 to 1 odds, his ability to maneuver his men into a position where only a fraction of the Japanese power could be used against him, and the fact that he was still immobilizing a vastly superior force, entitled him to the title of "miracle man" of warfare.

If the Japanese attempted to infiltrate his lines, as often as not he checkmated them with counterattacks. If they succeeded, either by a skillful withdrawal or by vigorous counter-measures at hand-to-hand, the following day would find the MacArthur army still intact, still fighting, still able to resist all efforts to drive him into the sea.

Though the communiques from Luzon never had given hope of a successful outcome, there was no tinge of heroics, save the tribute of the general to men who, without relief and subjected to almost constant attack by fresh troops in rotation, continued a defense that seemed to grow from day to day in strength rather than to be collapsing under pressure.

General Homma, Japanese commander, sent over a "leaflet raid" in which he strongly suggested surrender, paying tribute to the magnificent defense of MacArthur's army. It was not rejected—the army simply paid no attention to it whatever.

SINGAPORE:
Siege

The Japanese, having increased their pressure on the narrow and difficult Malayan peninsula, had finally induced the British defenders to make a sudden, dramatic withdrawal from the mainland, starting the long-expected siege of Singapore.

This, a battle expected to go down into history as one of the bitterest and bloodiest in the history of warfare, started with the 750,000 population of Singapore largely added to by civilian refugees from the mainland.

It was the first test in battle of a fortress and stronghold called by British tradition the "Gibraltar of the Far East" and now, after 118 years of building and rebuilding its defenses with more and more modern armament, the time had come for its testing.

Singapore stood buttressed on the north by a mile-wide strip of land from which the British had attempted to strip all obstructions which might offer refuge and cover to enemy soldiers or batteries; by another mile-wide strip of water which had become the "moat" of Singapore following the destruction of the granite causeway which connected the potato-shaped island with the peninsula.

—Buy Defense Bonds—

HIGHLIGHTS . . . in the week's news

Washington: Walter Nash, first New Zealand minister to the United States, urged that an American naval officer be placed in supreme command in the Pacific.

Hamilton, Bermuda: Survivors from a torpedoed British freighter said that the German submarine tried to crush and upset their lifeboats.

CHECKMATE:
On Farm Prices

The administration in Washington, having apparently lost an important point in the Price Control bill, seemingly discovered that "all was well" when a joker was found in the measure.

Agriculture Secretary Wickard said that the government power to buy and sell commodities in case inflation threatened, probably would give the administration powerful curbs to keep farm prices down to parity.

The senate agriculture committee questioned Wickard for four hours, left his office somewhat ruefully admitting that his claims were probably true.

Some were quoted as saying that they felt their legislative victory over the administration had been nullified by a power the bill itself conferred on the government.

Wickard was frank about the whole thing. He told the senators that cotton, wheat, tobacco, will be stabilized at parity.

He said that corn and other feed crops will be stabilized at around 85 per cent of parity, probably to keep stock prices from going sky high, also to encourage farmers to stock, dairying and poultry-raising.

Livestock, dairy and poultry prices will be permitted to go above parity —on the same basis of reasoning.

Farmers who grow corn, however, will be given benefit payments by the government to permit their return to be up to parity.

PINCERS:

In Island Empires

Little by little a study of the maps of the island empires of the ABDA forces in the East Indies began to show the picture of the Japanese effort, and demonstrated that a giant pincers movement was being carried out with three major objectives:

On the extreme west, the two prongs of the Japanese pincers were working on Rangoon and Singapore. The former, if the Japs could crack it, they felt, would put an effective stopper on the Burma road. The latter would jettison British hopes of defending the west half of the island empire, and leave the Japanese fleet in command of the India-Australia supply lines.

In the center lay Borneo, and with invasion forces going both to left and right of this island, it was evident that the Japs were seeking to wipe out the advance defenses of Java and Sumatra.

On the east was the Bismark archipelago, and the drive here, while not so well established, apparently was seeking an invasion of Cape York, Australia, and a sweep down the east coast of the continent "down under," the only rich and populous section of the whole huge island.

As Singapore rocked under bombings, and held grimly in the face of actual siege at last, the Japanese began an all-out assault on Amboina, tiny island naval stronghold of the Dutch south of the larger island of Ceram.

London: Quisling has assumed in Norway the German-designated post of "Prime Minister of State"—equivalent to dictator.

—Buy Defense Bonds—
Belfast: Americans in the British Isles were reported as clamoring for chances to enlist in the A.E.F. Many of them already were serving in the British army and wanted transfers to American units.

Sweater Style Simple to Knit

Pattern No. Z9447

A WARM-AS-TOAST outfit is this simple knitted threesome consisting of sweater, cap and mittens. The 3 to 5 year old who boasts this will be the envy of

the neighborhood, his mother the envy of her friends.

Detailed directions for knitting the three-piece set and explanations of knitting stitches are given on Z9447, 15 cents. Crochet directions for a Jack Tar bib in red, white and blue are also on the pattern sheet. Send your order to:

Pull the Trigger on Lazy Bowels, with Ease for Stomach, too

When constipation brings on acid indigestion, stomach upset, bloating, dizzy spells, gas, coated tongue, sour taste and bad breath, your stomach is probably "crying the blues" because your bowels don't move. It calls for Laxative-Senna to pull the trigger on those lazy bowels, combined with Syrup Pepsin for perfect ease to your stomach in taking. For years, many Doctors have given pepsin preparations in their prescriptions to make medicine more agreeable to a touchy stomach. So be sure your laxative contains Syrup Pepsin. Insist on Dr. Caldwell's Laxative-Senna combined with Syrup Pepsin. See how wonderfully the Laxative-Senna wakes up lazy nerves and muscles in your intestines to bring welcome relief from constipation. And the good old Syrup Pepsin makes this laxative so comfortable and easy on your stomach. Even finicky children love the taste of this pleasant family laxative. Buy Dr. Caldwell's Laxative-Senna at your druggist today. Try one laxative combined with Syrup Pepsin for ease to your stomach, too.

Strength in Religion
The strength of empire is in religion.—Ben Jonson.

THE TRUTH SIMPLY TOLD

Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions. These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes. If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed. Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out. Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!

Star Dust

STAGE-SCREEN-RADIO
By VIRGINIA VALE
(Released by Western Newspaper Union.)

ONE day recently Marlene Dietrich was called back to Columbia studios for special scenes for "The Lady Is Willing," her new comedy with Fred MacMurray. One bit of action had her being besieged by autograph hunters in front of a theater. As one little girl thrust forward her book the star looked at her closely, saying, "Haven't I seen you before?" She had; "Before I became an actress," said the youngster, "I got your autograph in front of the studio." The "actress" is 11-year-old Carol Anne Lever.

Cecilia Parker, Mickey Rooney's sister in the Judge Hardy Family series, rejoins the family in "The Courtship of Andy Hardy." In private life Mrs. Dick Baldwin, Miss Parker retired temporarily some months ago to welcome the stork;

CECILIA PARKER

In the two pictures that were subsequently made, she was referred to as "visiting in New York." The first day that she came back to work, she walked on the set with her baby girl in her arms; shooting couldn't start until every member of the cast had held the infant.

"Here Comes Mr. Jordan," which a lot of people thought was the best picture of 1941, is to have a sequel, known at the moment as "Hellbent for Mr. Jordan." Let's hope that it won't be as disappointing as sequels usually are.

"Abie's Irish Rose," heard coast-to-coast over the NBC network every Saturday, has been enacted in every country in the world. The late Will Rogers saw a full production of the play in China, with Chinese "Murphys" and "Levys."

Edward G. Robinson has sold his home studio, Warner Bros., the idea of starring him in "The Death of Jim Gower," which was presented on his "Big Town" radio program recently; it deals with an idealistic but drunken newspaper man.

A drop of water proved to be the most temperamental "actor" in the cast of Columbia's "The Adventures of Martin Eden," the Jack London classic. Representing a tear, the drop of water required seven "takes" to sizzle on a hot iron held by Claire Trevor, the most "takes" of any scene in the picture.

Ona Munson can't get rid of that jinx that's been pursuing her. Her nose was broken when a make-up mask was being fitted to her at Warner Bros.; then she showed up at the "Big Town" broadcast with bandages on four fingers and one leg, from injuries received while she was making a jungle picture at Universal.

Virginia Payne, star of radio's "Ma Perkins," declares that it's the programs with the family background that pay dividends. "Ma" has been on the air for more than 2,500 consecutive performances; "Amos 'n' Andy," "Bachelor's Children," "Pepper Young's Family"—they all go on forever, seemingly. They make stars, too; Don Ameche and Tyrone Power are just two who've graduated to film stardom from them.

When he finished work as "Mr. Cugat," Ray Milland left with Mrs. Milland for a vacation at Sun Valley. Veronica Lake and her husband also headed for Sun Valley, when she finished "This Gun for Hire"; two pairs of skis were fastened to the top of their car. But after a few days of winter sports they yearned for Florida; made the trip in such a rush that, when they reached Miami, the skis still rode the car top. Passers-by stared, thinking them slightly mad, or maybe just ignorant of the fact that they were headed the wrong way.

ODDS AND ENDS—Chester Morris spent two days in a laundry hamper for scenes in Columbia's "Confessions of Boston Blackie" . . . Joe E. Brown's costumes for "Shut My Big Mouth," in which he impersonates a woman, were designed by the creator of Rita Hayworth's screen wardrobes . . . Lew Ayres and Laraine Day, separated in the "Dr. Kildare" series, are to be reunited in a murder mystery film, "Fingers at the Window" . . . Thornton Edwards means that he got a ticket for speeding when he was on his way to work in "Torpedo Boat," to make a scene in which, as a speed cop, he gives Richard Arlen a ticket for speeding!

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

Of The Moody Bible Institute of Chicago.
Released by Western Newspaper Union.

Lesson for February 15

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

THE HEALING MINISTRY OF JESUS

LESSON TEXT—2:1-12
GOLDEN TEXT—Jesus . . . was moved with compassion toward them, and he healed their sick.—Matthew 14:14.

Man is more than a body. He is made up of body, soul, and spirit. In a physical world where he is so much in touch with physical nature, and the needs of his body are so much before him, he is prone to forget that there is within a spiritual nature which is his real self.

God is interested in both the physical and the spiritual side of man. He provides all that we need for our bodies, and above all, He meets the all-important spiritual hunger of man's inner being. We find the Lord Jesus in our lesson graciously touching both spirit and body of the palsied man in response to the faith of his friends.

I. Faith Brings a Double Need to Christ (vv. 1-4).

This faith-stimulating story faces us first with

1. An Impossible Situation. Incurably afflicted and helpless physically and far more deeply afflicted spiritually, this man had no one who could heal his body and restore his soul. Apart from the power of God in Jesus Christ his situation was hopeless, and thus he may well typify every one of us except for the grace of Christ.

Furthermore, his circumstances were such as to make it impossible for him to get to Jesus, who was there in his city. Even when his four friends came to his help and bore him to the house where Jesus was, they could not enter because of the crowds. So a journey begun in hope was evidently to close in despair. But wait, these men had

2. An Undeniable Faith. "Where there is a will there's a way." Where there is faith the obstacles may be surmounted. Having begun a good work they persevered in it.

Had these men been bound by convention or custom they would never have put their friend at Jesus' feet. They did try to make a proper entry through the door, but it was blocked. The way to Jesus is often closed, by some custom, a vain philosophy, or a religious ceremony. Let us, like these believing men, open the roof if necessary to bring our needs and our needy friends to Him.

Although mention is made only of the palsy of this man, it is probable that both he and they knew that his need was for a double cure, for he was yet in his sins.

They brought him to Jesus, where their

II. Faith Receives a Double Reward From Christ (vv. 5-12).

Immediately Jesus "saw their faith" (v. 5), just as He always does. God is on the lookout for faith and is quick to reward it. The twofold need here brought a double blessing.

1. Spiritual Cleansing. The man's physical affliction thus proved to be his greatest blessing, for it brought him to Jesus, who cleansed him of all unrighteousness. If he had not been palsied he might never have met the Lord. Suffering, then, may be a means of grace. That is more than a pious platitude, for it has been proved repeatedly in the existence of men and women.

Certain scribes "sitting there" (they were not doing a thing to help) began to reason in their hearts that Jesus was blaspheming because only God can forgive sins. Their theology was faultless and their reasoning was logical, but the premise of their argument was wrong. Only God can forgive sin, but Jesus is God, something which they in their wisdom did not realize or accept.

We (especially young people in school) should be careful that the fluent smoothness of some unbelieving philosopher's logic does not lead us astray, and away from God's truth.

Note also the solemnizing thought that Jesus knew what they were thinking in their hearts. Let us remember that "all things are naked and opened unto the eyes of him with whom we have to do" (Heb. 4:13). What does He see when He looks into our hearts?

The challenge of these questioning scribes is met by

2. Physical Healing. Forgiving sins was harder than healing the body, but these enemies of Jesus lived so much in the realm of the physical that He had to give them a demonstration of His almighty power which they could see. It was a gracious thing for Him to do, and perhaps necessary in those early days of His life and ministry.

Today, with all the light of history upon the work of God, we need to beware that we do not sit in the seat of the scornful and demand a physical sign before we will believe. God is doing great things in the spiritual realm even in our day, in which Christian men and women may share by faith.

PATTERNS SEWING CIRCLE

THE soft detail of the ruffling at the deep V neckline of this dress adds much to its charm and femininity. Well planned for the larger figure with its generously full bodice and slimming skirt raised at the waistline, this dress meets every requirement for a smart style to wear under a winter coat.

Pattern No. 8066 is designed for sizes 36 to 52. Size 38, short sleeves, requires 4½ yards 39-inch material; 5 yards 35-inch; 1½ yards machine-made edging for neckline. For this attractive pattern send your order to:

CAMEL THE CIGARETTE OF COSTLIER TOBACCOS

Seen, Heard and Told By The Editor

One of the busiest departments of the government is the publicity department of the U. S. Treasury. We get at least THREE copies of every mat and of every release. That's one place a lot of paper could be saved.

If people would realize that Uncle Sam's dollar is no better than Uncle Sam's bond, more Defense obligations would be sold.

We had several boxes of waste paper for the Boy Scouts Friday, but they did not come and get it.

Everybody has already become used to the "War Time", which started Monday morning at 1 o'clock CST.

Tut, tut. We noted that a young soldier and his wife had to show their marriage certificate before they registered at the hotel where they stopped in Biloxi. Tut, tut. What is the world coming to?

Another new one who possesses among his other assets the cash money was received on our mailing list recently. He is M. W. Morman, politician and farmer of Sweetman.

Singing "God Bless America" will not help win the war. Learning how to tie a Red Cross bandage will help.

Our negro cook told us a very significant thing. In substance, she said that the negroes (few of whom had radios or read newspapers) just did not know anything about the war. All they knew that their boys were sent off to some indefinite place. She said during the last war Mr. Horton and Mr. Thomas and Mr. Carothers and other "good white folks" took the trouble to come and talk to the negroes. Remember, now, this was a man who was speaking for the illiterate negroes. We, of course, have plenty of well informed negroes in Grenada and this class knows, or should know as much about the war as the literate white folks do.

A lady driving down Green Street at a lively clip must have suddenly decided that she wanted to stop at chinaman's store. She slammed on the brakes and wore off about 200 miles of irreplaceable rubber. Oh, me, she will be walking soon, and this will probably get some of that bulge off her hips!!

Overlooked in the rush of other news: Miss Lucy Webb Sharp is now Monday morning at 1 o'clock CST.

Add the name of Walter V. Davis to the mailing list, and extend him a warm welcome.

TREASURY DEPARTMENT, Office of District Supervisor, Alcohol Tax Unit, Bureau of Internal Revenue, New Orleans, Louisiana. Date of first publication, February 12, 1942. Notice is hereby given that on January 28, 1942, one 1936 Ford Sedan, Motor No. 18-2501242, with accessories, was seized in Yalobusha County, Mississippi, for violation of the Internal Revenue Laws, to-wit: Section 3321, Internal Revenue Code. Any person claiming an interest in said property must appear at the office of investigator in charge, Alcohol Tax Unit, 1002 Deposit Guaranty Bank Building, Jackson, Mississippi, and file claim and cost bond as provided by Section 3724, Internal Revenue Code, on or before March 16, 1942; otherwise the property will be disposed of according to law. Making a Soldier of Sugar

AS we have sent men abroad to fight for America—as we have sent money—as we have drafted steel, with other commodities, into fighting-service or enlisted wheat and other fighting-foods—so we must make a soldier of sugar.

Nutrient for the nations at war is as vital to the outcome as the powder that feeds the guns. A great nutrient in time of peace—in war a veritable sinew—sugar is now called upon to play a heroic part, to supply the peoples of our Allies—whose strength is ours.

To wrap up sugar in the American flag, so to speak, and put it into the fight becomes a duty of loyalty. It will be borne cheerfully by every industry, every dealer, and every individual it falls upon. Upon certain industries it falls heavily—and especially on the workers who derive their living from them. Yet the American civilian in this war with the soldier. American business great and small, American capital from Wall Street to the remotest country bank, is with the Government every step of the way. The U. S. means U. S. All of us, are in the fight with everything we have, the best of everything we have.

This company regards it a privilege to contribute to the conservation of sugar. We are early to all, and we are ready to do our part, to reduce the end of conservation we pledge our efforts in every direction that opportunity may disclose, in manufacture as well as beyond the scope of our immediate interests; and in this effort generally we bespeak the co-operation of dealers and consumers everywhere.

THE COCA-COLA COMPANY
ATLANTA, GA.

WORLD WAR I 1917

The United States Government restricted the use of sugar in World War I. The response of The Coca-Cola Company was expressed in the newspaper advertisement reproduced at the left.

*Again, Sugar enlists
for Victory*

WORLD WAR II 1942

History repeats itself in World War II. Sugar has been called to war again. Our government has restricted the use of sugar for all. Naturally, that includes Coca-Cola.

You'll continue to find Coca-Cola around the corner from anywhere, though we regret that you won't be able to enjoy the pause that refreshes as often as you might like. Our volume has been reduced. But this we pledge: the character of Coca-Cola will be unimpaired. The American people can continue to trust its quality.

As in 1917, we count upon the patience of dealers everywhere. Conserving sugar is another step toward Victory. Whatever any of us may have, or may not have, Victory we must have above all else!
